DEWAN OF MYSORE

LANGFORD HOUSE,
BANGALORE.

14th May 1919.

My dear Mirza

I thank you for your letter of the 12th instant regarding Dr. Seal. I have also wired to Dr. Seal asking him to let me know the approximate date of his joining here. I think it is very unlikely that Dr. Seal will back out his agreement. I am going to speak to the Resident to-day and point out to him that as Dr. Seal is under a definite agreement to take service under the Mysore Government, it would not be proper for the Government of India to enter into any negotiations with him to serve the Calcutta University.

I returned from Bombay on Monday but had a very trying journey bothways. There was, however, substantial business done with the Tatas to the advanatage of the State.

I am not leaving for Ooty till Monday next. Will you please let me know if any dates have been fixed regarding the programme of His Highness the Maharaja?

Yours sincerely,

Mirza M.Ismail, Esq., B.A.,
Huzur Secretary to His Highness
the Maharaja of Mysore.

Dear Mirza Saheb,

I am sorry you have been unwell. I hope you will soon be quite well again. I am sending you herewith a copy of the letter I have written to Dr. Seal. I have also written to the Resident and told him that I am expecting Dr. Seal to arrive here in the course of a few days.

Yours sincerely,

residence to shift me to
Ballaboroi. Apparently
You have been trying
this matter for sometime
back & yet you have
not hinted a word
about it to me Why
have done the thing behind my
back.

I confess that I am
both surprised & hurt
that you should have
treated me in such a
way & feel that I
am entitled to ask for
some explanation of
that I cannot but
regard as a great
breach of courtesy
on your part

Yours Sincerely
